

Thanks to generous donors, PA Vent Camp offers children who use assistive breathing devices (ventilators, BiPAP, and CPAP) the chance of a lifetime to experience a week without limits at summer camp!

Hosted on the grounds of Camp Victory and managed by medical professionals with decades of experience in caring for those with complex respiratory needs, campers are encouraged to explore their independence and grow in a safe environment. For added peace of mind, we are located near a children's hospital in case of an emergency.

Volunteers who attend PA Vent Camp can count on an experience that will shape their personal, emotional, and professional lives forever.

Whether you're a potential camper, a volunteer, a donor, or a sponsor, we'd love to welcome you to the family! Though the camp originated in PA, we support campers from any state.

PA Vent Camp is a registered 501(c)(3) non-profit organization.

A WEEK WITHOUT LIMITS

PA Vent Camp

WELCOME TO THE PA VENT CAMP FAMILY!

CAMPERS

We can't wait to see you to camp!

Open to children (ages 5-18) who use assistive breathing devices, campers can experience the fully-accessible grounds of Camp Victory while at PA Vent Camp! Get airborne on the zipline, enjoy the pond and fishing on the pedal or pontoon boats, scope out the view from the treehouse, experience wildlife firsthand at the Camp Victory nature center, and enjoy the quiet room stocked full of games and activities -- there's never a boring day!

PA Vent Camp is where lifelong friendships are formed and maintained; beyond adventure, the week is a social opportunity to meet and share information, fun, and stories for kids who use ventilators. It is truly a week without limits for all!

PA Vent camp is open to campers from all states, not just PA.
